Mare must be halter broke, have back shoes pulled, be wormed and vaccinated, and arrive with a copy of papers.

"Rhett" is a big, gorgeous, World Champion stallion with the conformation and lineage to back it all up. With limited showing he was a breakout star and confident World Champion. He has since been used exclusively as a breeding sire, but will be started under saddle this summer. Rhett is imposing, the kind a horse you can't ignore when he enters the arena. He's 16 hands with thick bone and a heap a muscle, but bred to move beautifully and doesn't dissappoint. Rhett comes from a long line of champion horses, starting with his sire, RH Mr Imprint, and his sire, Socketts Imprint, and his sire Sockett. Just to name a few. Rhett's dam, Scarlet Print, was the real knockout, a ten time APHA World Champion, APHA Hall of Fame Inductee, and the winningest mare in APHA history. If you want a winner with a great disposition, stellar conformation, and the lineage to back it all up, look no further. Rhett is located at Three Rock Ranch in Twin Falls, Idaho for the 2022 breeding season. He will not be available for breeding until mid-April.
